

# JOSEPH SMITH'S DISCOURSES

NOTE: NOT FOR SALE OR REDISTRIBUTION. THIS CHART IS A WORK IN PROGRESS AND IS BEING USED TO ASSIST IN PUBLISHING THE JOSEPH SMITH'S DOCTRINES & INSIGHTS SERIES. EVENTUALLY, IT WILL INCLUDE A COMPLETE GENEALOGY OF SOURCES (NOW COUCHED UNDER "CHURCH HISTORY" VOLUMES IN SOME PLACES) AS WELL AS NOTATIONS FOR PASSAGES WHERE THE TPJS WAS SUBSTANTIALLY ALTERED FROM THE ORIGINAL SOURCES AND WILL POTENTIALLY INCLUDE MORE ALTERNATE ACCOUNTS OF SERMONS. LAST, IT WILL BE DIVIDED INTO EACH TPJS SERMON DIVISION FOR QUICKER TOPICAL REFERENCING.

## LEGEND:

**sources** = used as a source for TPJS

sources = additional account of a sermon found in the TPJS but not used as a source; many of these are found in the WJS; all are found in the two volumes of The Forgotten Teachings by Drew Briney

~~dates/source~~ = no teachings; the account merely says Joseph spoke

**TPJS** = Columns are **organized by dates**. The TPJS is mostly, but not always, chronological so some TPJS page numbers in this chart appear "out of order."

**WJS** = not found in the TPJS; designated for quick reference only

**(major change/omission)** = TPJS compared word for word with original sources reveals substantive doctrinal revisions; **not all** are marked.

Comparing several sources produces occasional subjective judgments as to which page numbers properly correspond to one another. Along with other technical challenges, this makes some of the entries appear imprecise depending on which records one is comparing. Rather than annotate challenges and create a cumbersome chart, I ignored those pesky details. Entries should otherwise be broadly accurate and should never stray more than one page "off." If the reader nevertheless discovers an error, please let me know so I can correct future editions.
